

## 1324 Hydrocarbon Drain Hose

### Product Specification Summary

#### HYDROCARBON DRAIN HOSE

- Excellent for cleaning of Storage Tanks & Vessels
- Kink & Crush Resistant
- Distinctive Blue Cover

Part Number	Hose ID (inch)	Hose OD (inch)	Working Pressure (psi)	Min Design Burst (psi)	Weight/FT. (lbs)
1324-12	3/4"	1.22"	350	1400	0.57
1324-16	1"	1.49"	350	1400	0.70
<b>APPLICATION</b>	Designed for applications requiring resistance to oil and petroleum based fluids. For use in refining industry during transfer of hydrocarbons.				
<b>TUBE</b>	Black; Oil Resistant Nitrile (NRB)				
<b>REINFORCEMENT</b>	Single Ply of High Tensile Wire Braid				
<b>COVER</b>	Blue; Oil, Weather and Abrasion Resistant Hypalon				
<b>TEMPERATURE</b>	-20° F to 300° F (Approved for <b>intermittent</b> exposure to 350° F.)
