

2131 Hydrocarbon Drain Hose Product Specification Summary

HYDROCARBON DRAIN HOSE

- Excellent for cleaning of Storage Tanks & Vessels
- Kink & Crush Resistant
- Distinctive Blue Cover

Part Number	Hose ID (inch)	Hose OD (inch)	Working Pressure (psi)	Rated Suction	Min Design Burst (psi)	Weight/FT. (lbs)
2131-24	1-1/2"	2.10"	300	FULL	1200	1
2131-32	2"	2.62"	300	FULL	1200	1.41
2131-48	3"	3.67"	300	FULL	1200	1.90
2131-64	4"	4.83"	300	FULL	1200	3.52
APPLICATION	Designed for applications requiring resistance to oil and petroleum based fluids. For use in refining industry during transfer of hydrocarbons.					
TUBE	Black; Oil Resistant Nitrile (NRB)					
REINFORCEMENT	Multiple Ply's of Textile Braid with a Helically Wrapped Wire					
COVER	Blue; Oil, Weather and Abrasion Resistant Hypalon					
TEMPERATURE	-20° F to 300° F (Approved for intermittent exposure to 350° F.)
